AMEND Senate Bill No. 1539

House Bill No. 875*

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 7-82-302(e), is amended by adding the following language at the end of the subsection:

Such supplemental petitions shall be filed with the utility management review board simultaneously with the filing of the petition with the county mayor or county mayors but are not subject to approval or disapproval by the utility management review board as set forth in §§ 7-82-201(a) and 7-82-202(a). In the order granting a supplemental petition, the county mayor or mayors may exclude territory within the district's boundaries which is already receiving the service sought to be furnished by the district from the grant of authority to the district to provide such service under this subsection.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
